

Health Professions Education Foundation

“Giving Golden Opportunities”

**Scholarship & Loan Repayment Awards Report
June 30, 2001**

Background

- HPEF is a non-profit public benefit corporation established for the purpose of providing health professionals to medically underserved areas of California and providing financial assistance to demographically underrepresented and economically disadvantaged students.

Objective

- To increase the number of health professionals practicing in Medically Underserved Areas (MUA's) of California;
- To increase the number of demographically underrepresented and economically disadvantaged students practicing the health professions;

Funding

- Health Professions Education Fund is funded entirely through grants from public and private agencies and contributions from foundations, corporations, and individuals.
- Registered Nurse Education Fund is funded through a \$5.00 surcharge fee for renewal of the Registered Nurse license in California.

Programs

- Associate Degree Nursing (ADN) Scholarship Program
- Registered Nurse(BSN)Education Scholarship Program
- Registered Nurse Education Loan Repayment Program
- Kaiser Permanente Allied Health Care Scholarship Program
- Health Professions Education Scholarship Program
- Health Professions Education Loan Repayment Program
- Youth for Adolescent Pregnancy Prevention, Leadership Recognition Program

Associate Degree Nursing (ADN) Scholarship Program

- Aims to test whether it is possible to encourage articulation from A.D.N. to B.S.N. programs.
- Scholarships are awarded to A.D.N. students who agree to obtain a B.S.N. degree within five years of completing their A.D.N.
- Eligible applicants can receive up to **\$4,000** per year.

Registered Nurse (BSN) Education Scholarship Program

- Aims to:
 - increase the number of appropriately trained professional nurses;
 - to encourage professional nurses to practice direct patient care in MUA's of California; and
 - to encourage demographically underrepresented and economically disadvantaged students to pursue the nursing profession.
- Scholarships are awarded to students enrolled in baccalaureate degree nursing programs.
- Eligible applicants may receive up to **\$8,000** annually.

Registered Nurse Education Loan Repayment Program

- Aims to place baccalaureate degree nurses in MUA's of California.
- The LRP is authorized to repay educational debt that was accrued during a B.S.N. program.
- LRP recipients are required to practice full-time in direct patient care in a MUA or county health facility in return for loan repayment.
- Eligible applicants may receive up to **\$8,000** over a two-year period for repayment of educational debt, and may apply for up to \$19,000 for a total of four years service in an MUA.

Kaiser Permanente Allied Health Care Scholarship Program

Aims to:

- Increase the number of allied health care professionals practicing direct patient care in medically underserved areas of California.
- Encourage demographically underrepresented and economically disadvantaged students to pursue the allied health profession.
- Eligible applicants may receive up to **\$2,500** per year in financial assistance.

Kaiser Permanente Allied Health Care Scholarship Program cont'd

■ **Priority is given to students enrolled in the fields of:**

- medical imaging
- occupational therapy
- physical therapy
- respiratory care
- social work
- pharmacy
- pharmacy technician
- medical laboratory technologist
- surgical technician
- ultrasound technician
- diagnostic medical sonography

Program Eligibility Requirements

- Applicants must present documentation of their financial need.
- Applicants must submit “official transcripts” with their application packet.
- Applicants must submit 2-3 letters of recommendation with their application.
- Other criteria used in selecting program recipients include: health related work experience, community background, community involvement, and career goals.

Health Professions Education Scholarship Program

- Aims to increase the number of health care professionals practicing direct patient care in medically underserved areas of California.
- Scholarships are awarded to students of dentistry, dental hygiene, nurse practitioner, nurse midwifery, and physician assistant programs.
- Eligible applicants may receive **\$10,000** per year in financial assistance.

Health Professions Education Loan Repayment Program

- Aims to increase the number of health care professionals practicing direct patient care in medically underserved areas of California.
- Loan repayment is awarded to graduates of dentistry, dental hygiene, nurse practitioner, nurse midwifery, and physician assistant programs.
- Eligible applicants may receive up to **\$20,000** over a two-year period for repayment of educational debt.
